

Sharpening & Repair Service Form

TIPS ON SHIPPING

- Complete and include this form
- Wrap items so they don't hit each other
 - Don't forget payment
- Did you indicate insurance value (if you want insurance)?
- It is recommended to use a shipping provider with tracking
 - Don't oversize your box, even with packing material they crush easier
- Don't rely on the self-sealing strips on boxes, add additional tape
- If re-using a box, make sure the tape across the center bottom is secure.
 - Make sure all flaps are tucked and taped on box
- Before sealing package shake gently to ensure contents don't shift.
